Trademark: **AQUAPHOR**

EU type examination of apparatus carried out according to module B (Part A Annex III of EMC Directive 2014/30/EU). The apparatus is considered to meet the requirements of the following directives and standards:

Directive: Directive 2014/30/EU of the European Parliament and of the Council of 26 February 2014 on the harmonisation of the laws of the Member States relating to electromagnetic compatibility.

Used standards: LVS EN 55014-1:2017/A11:2020, LVS EN 55014-2:2015,
LVS EN 61000-3-2:2019, LVS EN 61000-3-3:2013/A1:2019.

Test report: No. LEITC-TR-20-083 dated 28 August 2020.

Notes:
The manufacturer shall keep a copy of the EU-type examination certificate, its annexes and additions together with the technical documentation at the disposal of the national authorities for 10 years after the apparatus has been placed on the market.
The manufacturer shall take all measures necessary so that the manufacturing process and its monitoring ensure conformity of the manufactured apparatus with the approved type described in this EU-type examination certificate and with the requirements of the above Directives that apply to them.
The manufacturer shall affix the CE marking to each individual apparatus that is in conformity with the type described in this EU-type examination certificate and satisfies the applicable requirements of this Directive.
The manufacturer shall draw up a written EU declaration of conformity for each apparatus model and keep it at the disposal of the national authorities for 10 years after the apparatus has been placed on the market.

Head of Certification Body:

 **Sergey Kovalev**

Date of issue: 02 September 2020
Certificate is valid until: 02 September 2025

Certificate No. 3-303-372/2020
